

CHIP Member Eligibility Now Available via EDI HIPAA X12 270/271 Transaction

Information posted April 9, 2018

Note: *This article applies only to CHIP providers and submitters. No action is required for Medicaid providers or submitters.*

Available immediately, CHIP providers and submitters wishing to request and receive CHIP member eligibility using HIPAA X12 270/271 transactions may begin utilizing a new eligibility system. CHIP providers and Electronic Data Interchange (EDI) submitters may begin the Trading Partner Testing process by contacting TMHP at EDI.Eligibility@tmhp.com to receive the 270/271 Eligibility Inquiry and Response Companion Guide, information and instructions on the testing process and to obtain the Trading Partner Agreement.

For more information, call the TMHP Contact Center at 1-800-925-9126.
