## Become a PCHP In-Network Behavioral Health Provider by September 1, 2025

**Effective September 1, 2025**, Carelon Behavioral Health will no longer manage the Behavioral Health benefit for Parkland Community Health Plan's STAR Medicaid and CHIP members.

**If you are a Behavioral Health provider currently contracted with Carelon**, please review the information below to begin the process of becoming a PCHP in-network provider, so that your office may continue to serve PCHP members without disruption beginning September 1, 2025.

**To ensure a seamless transition for both members and providers on September 1, 2025, please follow these immediate next steps:**

1. Start the credentialing process by completing the [Prospective Provider Form](#) in full.
2. Email the completed form to [PCHP.ContractingDepartment@phhs.org](mailto:PCHP.ContractingDepartment@phhs.org).
3. Visit our website for [more information on credentialing](#).
